We had a beautiful day to shoot the June match with temperatures starting out in the high 40's but quickly warming up into the 70's by match end. Congratulations to Matt Branham for winning the June match with a 284-1X. It was good to see a few shooters who haven't made it out to the matches recently. So far we have had 11 different shooters this season but just not all at the same match together. This proves that there is still a lot of interest in black powder but life gets in the way sometimes and keeps us from getting out to all the matches. The next match will be July 8th and will begin at 9:00 a.m.
